Staff Role

In the wake of the parenting circumstances and challenges caused by Covid-19, there has been a financial constraint and more stress felt across the Country. Poverty levels and feeding of hopelessness are recorded to have increased. A lot of teenage pregnancies and drug abuse is on the rise. At Overcoming Schools, the teachers have marshaled their efforts to coordinate counseling and guiding lessons in the villages. When the staffs go to the villages to meet students, they do moral teachings and offer medical care and deliver food stuffs

Government step up regulations in Re-opening of Schools

The Government in Kenya started re-opening of Schools staggering from final students in colleges, high school and elementary level. It imposed measures like all learners must adorn masks, schools must have water and enough hand washing stations and soaps and social distancing and high level cleanness like hand washing.

At our schools, we have made all the children masks and trying our best to be within the Government regulations.

Stop Covid-19

- Protect yourself and others from getting sick
- Keep social distance
